### Eligibility Requirements

To participate in the Autodesk Education Community, you must agree to and comply with the applicable Terms of Use and also satisfy the following eligibility requirements as more fully defined in the Terms of Use. You must be one of the following: (a) a faculty member; or (b) a student; or (c) an Autodesk-sponsored design competition team mentor or competitor.

**A faculty member** is an employee at a primary or secondary educational institution or any degree-granting or certificate-granting educational institution or any learning, teaching or training facilities and who upon request by Autodesk is able to provide proof of such status.

**A student** is an individual enrolled at a recognized degree-granting or certificate-granting educational institution for three (3) or more credit hours in a degree-granting or certificate granting education program or in a nine (9) month or longer certificate program, and upon request by Autodesk is able to provide proof of such enrollment.

**An Autodesk-sponsored competition team mentor or competitor** is either an individual who provides guidance, advice, coaching, or instruction to competitors engaged in competing in an Autodesk-sponsored design competition or an individual who is approved by an Autodesk-sponsored design competition organizer as a valid participant.
